

HAMPTON, PHOEBUS AND OLD POINT.

AN IMPORTANT MEETING

Y. M. C. A. Members to Hold Annual Session Next Week,

RECEPTION TO NEW OFFICIALS

Secretary Heffelfinger and Physical Director Flanders to Be Guests of Honor of the Ladies' Auxiliary—Ladies Elect Officers.

Following the annual meeting of the members of the Hampton Young Men's Christian Association next Thursday night, the Ladies' Auxiliary of the association will give a reception to Secretary Charles Heffelfinger and Physical Director William B. Flanders. Mr. Heffelfinger has just assumed the secretaryship, while Mr. Flanders came here last week from Bloomingdale, N. Y., to become the physical director. The reception will be for the purpose of having all the members meet Mr. Heffelfinger and Mr. Flanders.

The annual gathering of the members of the association is an event of interest in Y. M. C. A. circles and the meeting this year will be especially interesting, owing to the election of five directors. The terms of Messrs. G. A. Schmeltz, John Weymouth, W. H. Pearson, R. B. Tennis and Jacob Heffelfinger expire and the members will select their successors. Following the election of the directors the board will meet to elect a president and other officers.

Auxiliary Officers.
The Ladies' Auxiliary held its annual meeting Thursday afternoon, when the following officers were elected:

President—Mrs. C. W. Betts.
Vice-president—Mrs. Charles Heffelfinger.

Secretary—Mrs. M. Otto Lackey.

Treasurer—Mrs. Jesse Cunningham.

The auxiliary discussed the arrangements for the reception to the new secretaries and also decided to have a "line shower" during the three days of the latter part of October to raise money with which to pay off the furniture debt. It was determined to ask the women generally of the city to contribute something in the shape of fancy work or linen to the cause. The donations are desired before the 25th of October.

The following ladies were constituted a committee to receive the contributions for the "shower":

Mesdames M. O. Lackey, Frank W. Darling, Charles Heffelfinger, William E. Flanders, Samuel H. Sayre, Edward Little, Arthur R. Thompson, J. Archie Vaughan, and Misses Hattie Howe, Maria Peek, and Lillie Wood.

RED MEN COMING FOR HAYMAKER DEGREE

Local Tribe Will Convince York County Braves That There is Such a Thing as "Believing."

The question as whether or not the Red Men of Grafton, York county, "believe" will be settled in Hampton during the latter part of this month, when the braves of that section come here to receive the Haymakers' degree from Hampton Hay Loft's team. It is said that about fifty of the Red Men in Grafton are anxious to "believe" and as the Hampton degree team is well fitted to convince one that their "belief" is worth while, the coming visit will be a great occasion in Haymaker circles.

Following the conferring of the degree upon the candidates of the Grafton tribe the local Haymakers will tender the visitors a banquet and reception in Red Men's hall.

LITTLE BOY BREAKS LEG WHILE AT PLAY

Master Martin Kenney Meets With Painful Accident at Syms-Eaton Academy.

Master Martin Kenney, the nine-year-old son of Magistrate J. Martin Kenney, in East Hampton, broke his right leg between the ankle and knee while playing at the Syms-Eaton Academy yesterday morning. The boy, with a number of others, was engaged in the game of "chasing the fox."

He attempted to jump across a small ditch, when he lost his balance and fell on the side of the embankment, snapping the large bone in the leg.

Mr. R. I. Mason took the little fellow to his home in East Hampton, where he was given the necessary medical attention.

MR. LYNCH IN HARNESS.
Former Hampton Y. M. C. A. Secretary at Work in New Field.

From the Cumberland News of Oct. 6, it is learned that Mr. R. Walter Lynch, who left Hampton the first of the month to take charge of the Y. M. C. A. work in that city, has already taken up aggressive work. A public reception was tendered him on Tuesday night, at which the keynote was, "Don't knock, but boost!" At the reception announcement was made by the president of the board of managers that \$15,000 would be spent at once in enlarging and remodeling the building, adding a swimming pool, bowling alley, and billiard room, as well as additional living apartments.

The reception was under the auspices of the Ladies' Auxiliary and was a signal success. The News speaks very flatteringly of Mr. Lynch, who in his response to the address of welcome, spoke very hopefully and optimistically of the outlook for the future of the work in that city.

CUBA IS FLOODED.

Rivers Go Over Banks, Sweeping Bridges Away.

HAVANA, Oct. 8.—The situation in Cuba is serious today. Rivers have gone over their banks, bridges have been swept away and property damages to the extent of hundreds of thousands of dollars has been done. Four lives are known to have been lost, and there are reports of further loss of life.

For forty-eight hours there has been no let-up in the heavy rain. The towns most severely affected by the flood are Matanzas, Sagua and Jaruco. The last named is near Havana.

In these towns bridges have been destroyed and houses washed away in the swirling rivers.

It is feared that the loss will be much heavier before the storms and floods pass, as there is no sign of a cessation of the rain.
